Sponsor Information
Confirmation Year One
St. Joseph Parish

After spending some time reading about the role of a sponsor and thoughtfully answering the questions on the sheet, we invite you to contact your chosen sponsor and ask them if they would walk with you on this journey for the next two years. After they accept your invitation, please work with them to complete this sheet. We are asking for this information so that we may begin a process of communication and guidance with them as they walk with you.

Please write legibly. Thank you in advance.
