

*Congratulation to the St. Joseph Children's Choir*

On Saturday, November 27th the St. Joseph Children's Choir participated in the Old Town Elk Grove Parade of Lights. The children dressed as the Nativity complete with angels, shepherds, sheep, and the Holy Family. The children sang, accompanied by Adriel Cruz and Patrick Owen, Christmas carols as they traveled down Elk Grove Blvd. It was a beautiful witness of faith that the children shared with our community. And the best part is that the children, as well as their parents hard work, have been rewarded. The children won 1st place in the music category of the parade. Good job!

And a special thanks to all the parents who worked together to build the award winning float, to Mike Zammerelli, who donated the sound equipment, and to Fred and Eilene Fines who opened their home to all of us while building the float and for driving the trailer with the float. We couldn't have done any of this with out you!
