Sponsor Information
Confirmation Year Two
St. Joseph Parish

You were invited last year to begin to think about who you would like to choose as a sponsor for the Sacrament of Confirmation. We have included a copy of information about sponsors from last year for your convenience. After again reflecting on the role of a sponsor, we invite you (if you have not already done so) to contact your chosen sponsor and ask them if they would walk with you on this journey of faith. After they accept your invitation, please work with them to complete this sheet. We are asking for this information so that we may begin a process of communication and guidance with them as they walk with you.
